

ANNOUNCEMENT REGARDING SMCC FUNERAL SERVICES PROJECT

For last several years Sanatan mandir has taken leadership amongst all GTA Hindu Temples and organizations, educating Hindu community in Funeral requirements in Ontario.

We started out with a Seminar on “Pre-planned Funerals” in 2010.

Last summer we put together, published, put on our website, and distributed free of charge a printed version of complete guide to help our families in planning a funeral.

We are pleased to announce that we have negotiated a package price for a basic funeral with 4 GTA funeral homes that cover most of Toronto area residents. It is laid out in a very simple, short & easy to follow IDENTICAL format that is very easy to understand and compare. It has a written declaration that if you select negotiated package as listed, the HST included price will cover complete process (Cremation and Witnessing charges are extra)**.

Limited copies of these packages are available for families in immediate need from Sanatan mandir priest as well as Administration office. The reference copies are always available from office and priests for you to review. Soon a digital version will be available on our website:

www.sanatanmandir.com

We have volunteers familiar with the package and process available to assist you. Just call the Mandir at 905-887-7777 and press “0”.
